EDUCATION

Ph.D. in Environmental Science and Engineering School of Environment, Tsinghua University, Beijing, PRC	Aug. 2025 – Present
B.Eng. in Environmental Engineering College of Environmental Science and Engineering, Nankai University, Tianjin, PRC GPA: 3.72/4.00	Sept. 2021 – June 2025
High School Diploma Foreign Language School attached to Guangxi Normal University, Guilin, PRC	Aug. 2015 - Jun. 2021

SKILLS AND INTERESTS

Research Interests	Air numerical modeling, emission inventories, atmospheric chemistry, urban dispersion modeling, machine learning for environmental applications
Programming	Python (NumPy, Pandas, Xarray, SciPy), R, Bash/Shell, Git
Modeling Tools	WRF, CMAQ, PALM-4U, AERMOD, RLINE; WPS; NetCDF/GRIB processing
HPC & Workflow	Slurm, remote Linux, conda environments, parallel computing (MPI basics), reproducible pipelines, logging and job monitoring
Data & Visualization	Matplotlib, Cartopy, GIS basics (QGIS/GeoPandas), spatial analysis, time-series analysis
Languages	Chinese (native), English (academic/professional)

PROJECTS

RESEARCH PUBLICATIONS

- Yi, W., Liu, H., Peng, L., **Liu, Z.**, et al. Drivers and environmental impacts of Arctic shipping. *Nature Reviews Earth & Environment*, 2026.

INTERNSHIP/TRAININGS

POSITION OF RESPONSIBILITY

President <i>Environmental Science Association, Nankai University</i>	September 2023 – September 2024
President <i>Chemistry Society, The High School Affiliated to Guangxi Normal University</i>	June 2019 – June 2020

EXTRA-CIRRICULAR (SELECTED COMPETITIONS)

- Second Prize**, 1st Beijing–Tianjin–Hebei Undergraduate Green Innovation Competition *Dec. 2023*
- Silver Award**, 9th China International “Internet+” Innovation Competition (Tianjin Regional) *Aug. 2023*
- 1st Place**, 12th China Innovation & Entrepreneurship Competition (Tianjin Regional) *Aug. 2023*
- Bronze Award**, 10th “Bank of China Cup” Tianjin Youth Innovation Competition *Jul. 2023*

HONORS/REWARDS

Outstanding Graduate, Nankai University	<i>Jun. 2025</i>
Dai Shugui Environmental Chemistry Scholarship Award	<i>Nov. 2023</i>
Outstanding Teaching Assistant Award (Organic Chemistry)	<i>Jul. 2023</i>
Tianjin Municipal Government Scholarship	<i>Oct. 2022</i>
First Prize, 34th Chinese Chemistry Olympiad (Preliminary Round)	<i>Sep. 2020</i>
Second Prize, 33rd Chinese Chemistry Olympiad (Preliminary Round)	<i>Sep. 2019</i>
